The Tim Cogley charity golf day will be held on Friday 12th September 2025 at the prestigious Heswall Golf Club, Heswall, Wirral. This event is now in its 7th year and has grown in popularity ever since.

On 9th April 2017 Tim Cogley, an apparently fit and healthy 34 year old, suffered a fatal heart attack whilst walking home after a night out with friends. Despite showing no symptoms, Tim had a 75% cholesterol blockage of the left descending coronary artery.

The Tim Cogley Foundation has been set up by family and friends in Tim's memory with the aim of increasing awareness of the need for coronary heart screening, particularly in the 18 to 39 age group where very little pro-active screening currently takes place, and to offer opportunities for screening within Merseyside, Chester and West Cheshire.

The screening is carried out by Randox Health. If a person is in the right age category they just need to fill out a simple form online and book a date and time for screening. The cost of which is covered by the foundation. To book or for more information and statistics of how many people have been helped to date please visit **www.timcogleyfoundation.com**

Benefits of sponsorship:
